Principal 04/04/22

SEMINAR ABSTRACT

TOPIC - BIODIESEL

YEAR:- 2022

DT:- 05/04/22

Abstract of the seminar :- "Biodiesel"

Biodiesel exports have declined significantly over the years, despite numerous government programs and plants. This paper addresses the different blends of biodiesel programs in Malaysia, challenges affecting the industry by analysing the key policies, framework and the possible steps by numerous bodies for development of biodiesel industry, compatibility of biodiesel with engine and crude oil prices. The author has suggested with right institutional and policy reforms, better and globally compatible environmental, the industry could develop better. Other than that, by improving socioeconomic and technical prospects of biodiesel product, as well as investment on development with will further help to improve and ensure sustainability of biodiesel industry in Malaysia.
